

Chairman's Note

May 2018

The Rally was held on the 5th of May and thanks to Tom for an interesting day. Our junior members did very well. Maria Graney and Johan de Jager were tied in first place with Karin Crook second and Tienkels Joubert in third place.

The North East province congress was held at a freezing Dullstroom during the weekend of 19-20 May.

I was the only member of our club there and members really missed an interesting and instructive weekend.

The speakers gave a lot of valuable information about various forms of photography and editing.

The interclub competition was held between the 10 clubs of the region. We were 6th overall, 3rd in the mono section, 4th in nature, 5th in open, 6th in AV and 7th in the set subject which is below our usual standard.

To try and improve our standard the committee has suggested some changes to the way we calculate trophy winners for this year.

This will be communicated via email to each member for comment.

Next year's regional congress will be hosted in Nelspruit by Lowveld Camera club and I would urge members to attend.

The PSSA National congress which runs for a full week will be hosted by our region next year so will be reasonably close.

Congratulations also to the following members who received acceptances so far this year.
